Deputy Commissioner,
Kadur District, Chikmagalur.

Sir,

In submitting herewith copies of resolutions of the Municipal Council in the matter of reducing the rate of octroi duty on petrol which is imported into the limits of this Municipality, I have the honour to state as follows:-

For the last two years the petrol which is imported by merchants into this town for consumption therein is eventually exported to villages which are situated just out side the town limits, where it is stored. Subsequently the proprietors will take their buses and cars to those villages and get the tanks in the buses and cars filled in with petrol and carry the same into the town where it is consumed.

By this act of the merchants the Municipality has not been able to collect the duty on petrol to a great extent and is consequently losing its revenue under this head.

It is ascertained that the merchants are storing the petrol in the villages as stated above because they consider the rate of Municipal tax on petrol to be high.

As the question as to how to meet the

situation was being considered by the Municipal Council, one Mr. Marula Siddappa, Petrol Merchant of Birur, ... approached the Municipal Council with a proposal that if the Municipality be pleased to reduce the rate of duty on petrol from one anna to three pies per gallon he would construct a Godown in this town and pay duty on the entire quantity of petrol that is imported by him irrespective of the fact whether it is for sale here or outside.

This application was considered in all its aspects by the Municipal Council at their meeting held on 29-6-1929 and they resolved that the duty on petrol imported for consumption within the town limits or for trans-portation through the town should be taxed at three pies per gallon.

Thereupon a notification calling for objections if any was published in accordance with Section 48 Sub Section (2) of the Municipal Regulation. The notification is herein enclosed for favour of perusal.

Since no objections were received the Council at their meeting convened on the 31st August 1929 have resolved that the proposal of the Council may be recommended to Government.

In the above circumstances I request that you may be pleased to obtain kind sanction of Government at an early date, to the proposal of the Council.

I have the honour to be,

Sir,

Your most obedient servant,

President
incharge,
Town Municipal Council,
